

BRITISH UNIVERSITIES RUGBY FIVES CHAMPIONSHIPS - SHERBORNE SCHOOL 20th to 22nd November 2009

50TH UNIVERSITY CHAMPIONSHIPS

Since starting the event whilst a student at Loughborough in the season of 1960 and having been involved with it ever since, November 2009 at Sherborne School, will see the occasion of the 50th Championship. - a significant landmark both for University Fives and myself. Since then we have received enormous support from varying student organisations - UAU; BUSF; BUSA & now BUCS; as well as from the RFA. It is now one of the major events in the Rugby Fives calendar. We would like to make the 2009 event a special occasion and try to get a considerable number of former champions and past competitors down to Sherborne for a day or week-end to help us celebrate.

I have reason to believe that a number of those who participated in the first ever championship will be attending and it would be excellent if we could get players representing a wide span of the 50 years to come along also.

I have also been asked if there would be an opportunity to play whilst in Sherborne - if you were to indicate that you might be interested in getting on court then we might consider running some sort of event when there are spare courts on Saturday afternoon/Sunday morning.

British Universities have indicated that they will be happy to host a reception, in the School on the Saturday evening - probably from about 7.30 to 9.30 - giving you ample time to imbibe in the local hostelries later!!

If you know of any others that might be interested in hearing of this event, then please sent me details so that they can be contacted.
