This year's championship will take place on Sunday, November 11th, starting at 11.00 a.m.

The entry fee is 10 pounds per pair. No charge will be made for schoolboy pairs. A plate competition will be organised for pairs knocked out in the early rounds.

Please enter the following pairs in the Winchester Fives Northern Doubles:

1)..... &

2)..... &

3)..... &

Telephone no.

Since last year's competition the Sedbergh courts have been enclosed and heaters have been installed. This has not completely solved problems of condensation but it has made them a rare rather than a common occurrence. You are therefore much less likely, should you enter the competition, to come to Sedbergh and find that play is impossible.

The entry fee does not include any charge for lunch; if the number of pairs justifies it, I shall arrange the provision of lunch in Queen's Hall at 1.30 p.m. and let you know of this beforehand (charge approx. 5 pounds).

Cheques for entry fee should be made payable to Laurence Catlow. It would be very helpful if I could receive all entry forms before Nov. 5th.
